Strategic Plan Goal	Action Step	Progress
1. By June 2017, all students taking a state assessment will be proficient (3 or 4, 65 or higher). 3. By June 2019, by the end of the second grade, all students will read at or above grade level.	1.5. Develop opportunities for targeted instruction time for student who are not meeting benchmarks 3.3 Establish a culture that fosters a community of readers and writers. (Provide year-round opportunities to engage in interest based reading and writing experiences. • Provide enrichment opportunities outside the school day for e.g., Lego, Robotics, Science	On October 25th the After School Discovery program celebrated "Lights on Afterschool" sponsored by the National Afterschool Alliance. This celebration reflects the importance of After School Programs for our children and their families. We had approximately 100 students participating. Students danced to the DJ, wore glow necklaces and bracelets, and were treated to pizza, donuts, cider and juice. Attached are some photos of our event. The LIFT program is well underway, with an increasing number of classes for students in 5th through 12th grade to choose from. Some of these include robotics, review classes in Math, Science, and ELA, Anime, Gaming, Yoga, Fitness, Ping Pong, Foosball, Arts and Crafts, Cooking from Scratch, Microwave cooking, and Jewelry making. There is a new course in the works, which will examine trade skills, workforce opportunities and general life skills. We hope to begin this in the upcoming weeks UPK Grants Our first round of teacher observations were completed, giving us direction and information regarding future professional development. Our next professional

	Olympiad	development session is scheduled for December 5th. Our goal is whether a student attends PreK at North Rose-Wolcott Elementary or Huron Head Start, curriculum is aligned and students are prepared and kindergarten ready. Our PreK classrooms are full, with enrollments of 20 in each. Huron Head Start additionally has 17 four-year-olds enrolled, and are full in the three-year-old classroom.
