North Rose-Wolcott CSD
BOE Report for 2015-2016

Administrator: Kathy Goolden, Director of Special Education, Grades 5-adult

Date of Board Meeting: December 11, 2015

SIP Goal #1: All North Rose-Wolcott Middle and High School students with disabilities will demonstrate improved academic achievement and increased college and career readiness.

Progress Narrative:

- **Leverage leadership visits are ongoing in both the High School and the Middle School.**
- **Observations and walk-throughs continue.**
- **The Special Education Leadership Team's Future Story committee created a survey for district staff in order to gather information about what is currently in place for students that helps set goals for their futures. Our plan is to create a comprehensive list of events that occur and make recommendations for additional items that will help our students see themselves as successful and productive citizens.**
- **Tammy Jones is continuing to provide coaching for the Middle School co-teaching pairs.**

SIP Goal #2: All North Rose-Wolcott students with disabilities will improve in their social/emotional/behavioral functioning in the classroom and school setting.

Progress Narrative:

School psychologists and counselors participated in a webinar designed to help address the behavioral side of a Multi-tiered Support System (MTSS). Discussion included how to better address students' behavioral needs within our school buildings.

SIP Goal #3: The special education department at North Rose-Wolcott School District will continue to foster partnerships that build communication and understanding within the school district and community.

Data:

- **Data: Parental attendance (including phone conferences) for CSE meetings at the Middle and High Schools was 65% for the month of November. The percentage of students attending their own CSE meeting in November was 60%. There were 20 meetings held.**

- **Phone calls are made each month to parents/families as a follow up to the written invitation to the CSE meeting**

SIP Goal #4: The special education department at North Rose-Wolcott School District will continue to follow regulations in order for the district to be compliant in the following areas:

Progress Narrative:

- **Through involvement with a consortium grant related to Work Based Learning that will support students receiving a CDOS (Career Development and Occupational Studies) credential, we are developing opportunities for students to participate in work experiences in the community. More details will be available soon.**
