Dear ~~Superintendent~~ Vigliotti: Steve

It was a pleasure to meet with you briefly in Albany, as I was in the midst of attending the 2016-17 New York State Budget Hearings.

Thank you for sharing both district-specific and regional data on wealth ratios, the impact of GEA restoration, and percentages of students on free and reduced price lunch. In addition, thank you for your encouragement to provide maximum flexibility for Community Schools aid.

Your letter is extremely helpful in understanding the unique situation that North-Rose Wolcott faces as a result of pockets of property wealth in an area where many students enrolled in school face financial challenges. Your perspective on the Governor's proposal, and how additional funding could most benefit the district is appreciated.

Thank you for your visit to Albany, and for taking the time to speak with me directly about your concerns.

Sincerely,

Bob

Congratulations to the boys basketball team on an outstanding season! I was able to attend to the sectional final game vs. Wellsville. I am sure if the boys had their usual shooting night they would have brought home the sectional title.
