		Next steps: ● Students who have met the threshold for behavior in regards to Office Discipline Referrals will begin Check In Check Out. ● Tier 1-Cougar Pride Team will look at the infraction summary report and determine how social/emotional learning can take place around the top few infraction types ● Students currently in behavior interventions who are not being successful will look at a more intense intervention such as modified check in check out.

Tenet 5 Student Social & Emotional Developmental Health	**SAP Goal(s) Connection**	**Action Steps**
	Goal 2	We have completed the first round of Check In/Check Out behavior support program with 10 students in the building. 2 new students have been added since our round has ended and we are now providing 12 students with this intervention. 85% is the goal for students for CICO, and currently 3 out of the 10 students are showing progress with this interventions. The tier 2 team has created action steps for each student to continue and modify the plan.
