Dear B.O.E. members,

I would like to thank the Board of Education for allowing me to participate in the All-Eastern Mixed Chorus this past weekend. It was a whole new level of musical experience, and not only did I learn a lot, but I also enjoyed myself while I was there. The concert was wonderful, and as a bonus I got to travel to Rhode Island! We ordered a DVD of the concert and also one of Conference All-State, so if you would like, I could show you some of what we did. Again, thank you so much for this opportunity and your

support of my musical endeavors. Music is what I have tried to form my life around, and your help allowed me to have some more experience, a deeper understanding of the technicalities in music, and unforgettable memories of the songs we performed. Music is a big part of my life, and I thank you for making it even better.
