## This Week!

Each week you will be receiving the story or stories that we will be covering during the week. They are sent home so that you can practice with your son/daughter. When you receive them, we may have however, only covered the first few pages of the first story. We will cover each story thoroughly by the end of the week. Flashcards are also provided, so that you can cut them apart and practice them at your leisure. These words will eventually be used as spelling words. Please complete the sheet provided, stating that you have read the stories together and reviewed the flashcards. We will be keeping a chart in the room. Children that complete all requirements will be treated to a special event during the Christmas Season. This week we will be covering two great stories. The first is entitled "One Hundred Is A Family". This story begins with a single unit family and end ups with a very large extended family. During the story we get the opportunity of witnessing many great activities that they participate in. Our second story is about a little girl who has to follow the "note clues" to find out where her birthday party is. Enjoy finding out where Katie's party is.

## Open House

Open House is scheduled for Thursday, October 5<sup>th</sup>. Please mark your calendars. I am looking forward to meeting you and giving you an overview of our programs.

## Book Order

If ordering, please submit payment at the time you return the order form. Payment can be made either by cash or a check made payable to Scholastic Book Club.
