Last night's Board of Education began with several parents voicing their concerns over the soccer program during Public Participation. Board Members reported on their attendance at the New Teacher Orientation and Board President Bucky Jordan read several thank-you notes from high school scholarship winners and the Town Board.

The Consent Agenda included 17 items including the approval of the 2001-2002 substitute teacher list, CSE and CSPE members, 5 elementary school monitors, workers for the board election on September 25<sup>th</sup> and the building substitutes for the Elementary, Middle and High School. Also under the Consent Agenda there were three administrative reassignments – Joan Pritchard, Robin Dunning and Reuben Byrd.

Reports to the Board included the approval of 97 CSE cases as a block and discussion of topics for Board Reports for the upcoming school year. Several topics were discussed and the Board requested that a more informal discussion approach be used for these reports. Also, the Board will be asked for input for the building principals' monthly reports.

Under Old Business, discussion of the board policy on election of School Board Members resulted in no action at this time. Further information will be gathered and discussion continued at a later date. Under New Business, three appointments were approved. They included Tracy Fisher's appointment as High School Science Teacher, Eva Shield's appointment to a .5 Spanish teacher at the High School and Baltazar Melendez's appointment as a Physical Therapist.
