

NORTH ROSE-WOLCOTT CENTRAL SCHOOL DISTRICT
BOARD OF EDUCATION SPECIAL MEETING MINUTES

DECEMBER 9, 2008 7:00 PM HIGH SCHOOL ROOM #210

PRESENT: Nickoline Henner, Larissa Bodine, Judi Buckalew, Robert Cahoon,
Katharine DeAngelis, Melinda DeBadts, Kari Durham, Edward Magin,
Clifford Parton, Ora Rothfuss III

Lucinda Miner, Robert Magin, Jacinda Lisanto, Jan McDorman
and 32 guests

ABSENT/EXCUSED:

CALL TO ORDER: Board President Nickoline Henner called the meeting to order at
7:04 pm and led the Pledge of Allegiance.

1a. APPROVAL OF AGENDA: Clifford Parton moved and Kathy DeAngelis seconded the following
motion. The vote was unanimous. N. Henner, J. Buckalew, R. Cahoon,
K. DeAngelis, M. DeBadts, K. Durham, E. Magin, C. Parton, O. Rothfuss
III voted yes.

Be it resolved that the Board of Education, upon recommendation of the
Superintendent of Schools and pursuant to Education Law, approves the
agenda of December 9, 2008.

2. PUBLIC ACCESS: No one spoke to the Board at this time.

3a. WOLCOTT VENUS CELEBRATION: Wolcott Chamber of Commerce President Chuck Palermo spoke to the
Board about an upcoming celebration which will honor the Venus fountain
in Wolcott. There will be an educational forum, a display of student art
work in merchant's windows, a Middle School sock hop dance and a
scholarship presented to a HS art student.

3b. SUSPENSION CENTER: Sharlet Palkovic, Tami Dubey, and June Muto presented the Board with
an update on the Suspension Center. The MS/HS Suspension Center
provides a full day program with a very structured environment. The one
teacher to one student ratio allows the student to get caught up on his/her
work. Detailed reports were handed out to Board members showing the
number of students serviced by the Suspension Center by grade level and
the number of repeat student suspensions by grade level.

3c. TRANSPORTATION REPORT: Mr. Robert Magin, Business Administrator, addressed the Board about
combining NRE students with the MS/HS bus run. He mentioned that a
number of students already come on the early runs for school activities
that occur before the normal school day begins at NRE. The District would
be able to eliminate the "buddy bus" situation which would reduce the
time elementary students are on buses. The number of bus driver hours
per day would be reduced and less fuel would be needed, therefore
providing a cost savings. During the next two to three months Robert

Magin and Robert Galloway, Transportation Supervisor, will continue to investigate this proposal and will report back to the Board with the outcome.

3d. POSSIBLE DISTRICT RECONFIGURATION:

Mrs. Miner began her presentation to the Board by stating that there are two sources of income for our school district: state aid and the money generated by our local tax payers. It has been announced by Governor Patterson that State funding for schools may be cut this year, and possibly for a number of years to come. With District expenses rising by almost \$1 million dollars this next school year: salaries, Social Security, retirement funding, health insurance and HRA's (Health Reimbursement Accounts), etc., cost-saving alternatives have been explored. Mrs. Miner mentioned that she has been meeting with District employees to explain the impact that the reduction of aid and rising expenses will have on our District. She then presented a Power Point presentation where the following topics were examined: not replacing retiring teachers, the closing of FHE, enrollment, proposed class sizes, a Live Birth By School District report from the Department of Health, staff reductions, sharing the Director of Technology position with another district, decreasing the number of field trips, conferences, sports scrimmages and non-league games, freezing supply and equipment spending, and scrutinizing staff-development. A Focus Group will be held in place of the regular Board of Education meeting on January 13, 2008 at the High School Auditorium from 6:30 - 8:30 p.m. for the public to weigh the pros and cons of closing FHE and the pros and cons of switching the grade levels housed at Leavenworth and NRE.

4a. ADMINISTRATOR'S REPORTS:

The Board thanked the administrators for the reports provided to them.

4b. STUDENT BOARD OF EDUCATION MEMBER: LARISSA BODINE

Larissa mentioned that high school students are more reluctant to take out their cell phones since the revision to the cell phone policy has been in effect.

4c. OTHER GOOD NEWS DISTRICT:

The PTO recently had their first formalized meeting. Sydney Greaves is the new president of the organization. Mrs. Haensch mentioned that "Cubby" the mascot and the Positive Behavioral Intervention Support system initiatives have become quite *magical* to the students at Florentine Hendrick. The Grade 2 concert was a success. The Middle School inducted thirty-three students into the Jr. National Honor Society recently.

4d. OTHER:

Jacinda Lisanto, Robert Magin and Cindy Miner attended an informative Leadership workshop at the University of Rochester. They will share the information obtained with other administrators. Mrs. Miner was pleased to be in attendance to hear Donna Brooks and Kathy Hoyt, students in the SUNY Oswego Educational Administration Program, present the topic of "Homogeneous versus Heterogeneous Grouping in Middle School Mathematics: What Works Best for Students" at FLCC on December 4th. She also listened to the second presentation on "Effectively Transitioning 8th Grade Students to 9th

Grade”. It was mentioned that the December 2008 issue of *American School Board Journal* contains an article named “Accountability and Evaluation of School Boards” that Board members may want to read.

5a. INTENT TO RETIRE:
SALLY SMITH

Clifford Parton moved and Melinda DeBadts seconded the following motion. The vote was unanimous. N. Henner, J. Buckalew, R. Cahoon, K. DeAngelis, K. Durham, M. DeBadts, E. Magin, C. Parton, O. Rothfuss III voted yes.

Be it resolved that the Board of Education, upon recommendation of the Superintendent of Schools and pursuant to Education Law, accepts with thanks for over 23 years of service, the letter of resignation for the purpose of retirement from Sally Smith, effective June 30, 2009. Should the District increase the retirement incentive or accept a State retirement incentive between the time of acceptance of this letter and the date of retirement, the greater incentive will be offered.

5b. SUPERINTENDENT’S
UPDATE:

Mrs. Miner explained the concept of a Regional High School to the Board, and answered questions that arose. She spoke about the Comprehensive Education Plan that is currently being completed and will be submitted to the State Education Department. The Safety committee and the District Safety Team have met and all issues have been addressed. Plans for the Skateboard Park have come to a standstill with no one stepping up to organize it. Mrs. Miner asked for input from the Board on whether or not they were interested in having the school organize the Skateboard Park and the consensus was no.

5c. BUSINESS
ADMINISTRATOR’S
UPDATE:

Mr. Robert Magin announced that the Capital Project is moving along very well. He mentioned that one new boiler will be installed soon at North Rose Elementary.
