July 26, 2002

At the July 24th Board of Education Meeting the fall coaching positions were approved and a large group of CSE Cases were approved. The major presentations were made by the building principals in the form of their annual reports. Each principal reported on achievement, attendance and discipline data for their building. They also shared updates on their building planning team action plans.

Under Old Business the Board discussed committee membership for the upcoming school year and approved the District Academic Intervention Plan for the 2002-03 school year. Three policies on Special Education underwent a first reading and the Board accepted, with regret, the resignation of Mary Rehor, Enrichment Teacher.

After setting both a Finance and Safety Committee Meeting for the week of August 6th, the Board recessed to Executive Session.
