Dear Williamson Central School Graduate:

The House Planning Team of the High School is assessing the quality of our program. We have test scores and percentages of graduates attending college, but we lack the perspective of our graduates. We intend to correct that by gathering information from our graduates of the Class of 1993 and the Class of 1998. Your responses to the questions that follow will be reviewed by the House Planning Team.

We meet every summer to review test scores and discipline and attendance. We want to know what works and what doesn't. We believe that our students receive a good education, but we want it to be even better. You can help by completing this survey and returning it in the envelope provided.

If you have questions or comments, you can contact me at school by phone (315-589-9621) or e-mail (dstarr@wfmil.williamson-central.k12.ny.us).

Thank you for being involved.

Sincerely,

House Planning Team 2001-2002
