3. PRESENTATIONS Amy Plowe, Special Education teacher at North Rose Elementary School gave the Board an overview of a new reading program that is being used with optimistic success at both North Rose Elementary School and Florentine Hendrick Elementary School. The program, entitled *Corrective Reading* is designed to reach students who are reading below grade level through adulthood. The program is broken down into four levels. The program is built on routine and a reading lesson is given every day at the same time. The program is designed for small group instruction and the smaller the instructional group, the greater the benefit to students. The program is structured, demanding, fast paced, intense; it modifies behavior, and has helped build the confidence of students. They are willing to try to sound out words while others listen and are very willing to help others learn what they have learned.
- 4a. ADMINISTRATIVE REPORTS No one had questions about the reports provided to the Board by Administrators.
- 4b. CURRICULUM COUNCIL Cliff Parton reported on the last curriculum Council meeting. He mentioned that no decisions were made on what summer programs would be offered. Cindy Miner added that Dr. Boronkay is exploring a program for 5th and 6th grades students who demonstrate a need based on study skills and test preparation. There was discussion of a change in the scope of responsibilities that would be performed by Team Leaders. More information will be provided at a later meeting.
- 4c. OTHER GOOD NEWS Mrs. Miner reported that she attended various sports events. Deja Reed and Zack Phillips were outstanding at the Indoor Track Sectionals and the Cheerleading squad took third place in a Tournament held in Rochester. Everyone did impressive work!
