1. Minutes of the 13 Feb CRC meeting were approved.
2. Update on the CRC community member solicitation: one submission received. This led to a brief discussion about whether or not a Staff member could be a CRC community representative. Conclusion was that there was no limitation on a staff member.
3. Update on being a School in Good Standing:
 - District Clerk Fuller supplied approximately 300 reproductions of the Shopper Notice for each Board member to sign. PS responsible for obtaining Board Member signatures and inserting notices in Staff mailboxes at schools.
 - Forum/Town Meeting Board Member attendance will be the responsibility of LE.
4. Update regarding banners/posters on school property: RM reported the District Attorney stated Non-Profit organizations could hang banners supporting schools on school property. Examples were: Lions Club, Rotary Club, Elks Club, Booster Club; etc. PS will submit a Resolution for the Board to approve solicitation for such School supporting banners. RM will also inquire if a town could offer such support, i.e., Town of Rose; etc.
5. Recording and Posting of Board Meetings: JS submitted a Plan of Action for CRC discussion. Discussion ensued regarding the next step; whether to submit a Resolution to the Board simply to approve Recording and Posting meetings, or to come before the Board with a Resolution and be fully prepared to describe procedures of how the meetings would be recorded, and how the minutes would be posted during a discussion phase. Resolution was not obtained. The meeting was necessarily cut short to accommodate a member schedule conflict.

Meeting adjourned at 12:33.
