

NORTH ROSE-WOLCOTT CENTRAL SCHOOL DISTRICT  
BOARD OF EDUCATION REGULAR MEETING MINUTES

February 12, 2008 7:00 PM Room #210 of the High School

PRESENT: Edward Magin, Judi Buckalew, Robert Cahoon, Kathy DeAngelis,  
Mindy DeBadts, Kelly Ferrente, Cliff Parton, Ora Rothfuss, III

Lucinda Miner, Jan McDorman and 18 guests

ABSENT/EXCUSED: Nickoline Henner, Robert Magin

1. CALL TO ORDER: Ed Magin called the meeting to order at 7:06 pm and led the Pledge of Allegiance.

1a. APPROVAL OF AGENDA: Cliff Parton moved and Ora Rothfuss, III seconded the following motion. The vote was unanimous. E. Magin, J. Buckalew, R. Cahoon, K. DeAngelis, M. DeBadts, K. Ferrente, C. Parton, O. Rothfuss, III voted yes.

Be it resolved that the Board of Education, upon recommendation of the Superintendent of Schools and pursuant to Education Law, approves the agenda of February 12, 2008.

2. PUBLIC ACCESS TO THE BOARD: Mr. David Stern and Mr. Leon Austin, members of the Rose Union Community Building Board, addressed the Board of Education with an issue concerning the verbal agreement made with the school district, regarding space to be used in their building for the Middle/High School Suspension Center. They are requesting remuneration for expenditures made prior to the inspection of the building. There was a discussion on the areas found deficient as a result of the inspection, and whether the school district would have interest in using the building, if it passes inspection in the future. Also discussed was whether or not the school district would be interested in helping the Community Building with funding for repairs. The Board has requested that Mr. Stern and Mr. Austin supply them with an itemized list of work done, including dates that the work was performed. A determination by the Board regarding compensation will be forthcoming.

3 a. PRESENTATION: CLAIMS AUDIT - Melanie Geil spoke to the Board about her job responsibilities as Claims Auditor. She described the process involved and the reference materials she uses in certifying to the District Treasurer that the claims are eligible for payment. She provided the Board with the *Claims Audit Plan* which lists audit steps she follows. A report will be given to the Audit Committee of claims which are not in compliance because of minor deficiencies, but are still paid.

3b. PRESENTATION: SCHOLASTIC ART Deb Teska, High School Art Teacher provided the Board with a presentation of student artwork that was submitted in the CNY

AWARD WINNERS –  
DEB TESKA

Regional Scholastic Art Competition by High School and Middle School Art students. 195 teachers representing 91 schools submitted 4,500 pieces of art for review by a panel of more than 60 professional artists, educators and photographers. Only 1,200 pieces of artwork created by junior and senior high school students were selected for the exhibition. NR-W is very proud to have had their work selected to be exhibited and to come away from this show with 20 winning pieces. Congratulations to winners Tom Bush, Olivia Keagle, Shaylee Snell, Connie Pettit, Noelle Warrick, Elizabeth French, Bailey Kennedy, Kayla Kohlenberg, Ali Dean, Noelle Warrick, and Tiffany Depew.

The exceptional artwork, consisting of drawings in various mediums, printmaking, digital imagery, photography, mixed media collage, computer art, ceramics, and art portfolios will be displayed in the halls of the Whitney Applied Technology Center at Onondaga Community College from January 17 through February 29, 2008.

Mrs. Teska thanked the Board for their continued support of the art program in the district.

3c. PRESENTATION:  
TECHNOLOGY COURSE -  
JOHN O'BRIEN

John O'Brien, High School Technology teacher presented a new high school course offering named *World of Technology* to the Board. The new course will first be offered in the 2008-2009 school year, and is an entry level course. Learning experiences designed for the course emphasize problem solving and critical thinking utilizing acquired math and science skills in a technology context and real world application. According to the State Education Department, this course is designed to provide students with the third unit of math or science. *World of Technology* will be a 1/2 credit hour course offered to all High School students. Mr. O'Brien mentioned that he is excited about proposing more technology courses in the future. Future courses that may be coming to the Board for approval could include an energy course, a course on residential structures, and design drawing for production.

A brief discussion took place regarding a new schedule that is being planned for High School students for the 2008-2009 school year. The new schedule will keep the block concept, but will move away from semestering to a full year schedule, i.e. "A", "B" day.

4a. GOOD NEWS OF  
THE DISTRICT:

John Boronkay, Director of Curriculum and Instruction, spoke about the *Classroom Snapshot*, an additional style of teacher observation. The traditional observation is scheduled, and takes place for an entire lesson. The *Classroom Snapshot* observation is unannounced, and the teacher is observed over a period of time. The teacher may be observed while planning a lesson, without students. Dr. Boronkay may drop in to catch the middle of a particular lesson, the "guided time" of the class. On yet another day, the "wrap up" of a lesson may be observed, the time when the comprehension of the lesson is taking place. This style of observation gives an accurate picture of what is happening in the classroom. It allows the administrator to observe the teacher presenting more than one lesson, using different

teaching methods and objectives, and to view more classroom activities. *Classroom Snapshot* observations will occur many times throughout the year.

Michele Sullivan, Middle School Principal mentioned that she is placing positive phone calls to parents. These positive calls are having a huge impact. Usually, a parent would only hear from a Principal when there is a problem. Mrs. Sullivan mentioned that the staff and students are becoming familiar with their new schedule.

There was discussion on cell phone text messaging from parents to students in the Middle School and High School during the school day. Cell phones are not to be used during the school day, although when a student realizes that they've received a message from their parent, they feel that it's necessary to read the message.

Mrs. Miner was pleased to announce that 92% of students passed the Regents English test. All seven students who took advantage of the AIS classes offered at the high school passed the test.

Ora Rothfuss, III mentioned that the Middle School Dance on February 8, 2008 was well attended by students, and everyone there seemed to be enjoying themselves. He also mentioned that the *Do Good Swing Band* performed at the High School on the same night, and it was reported to be a great concert.

Board member Judi Buckalew mentioned that she has heard positive comments from the community about the creation of the Middle/High School Suspension Center.

4b. OTHER:

Kari Durham, PTSA President, reported on the Internet Safety Night presentation by School Resource Officer Ben Kauder on February 8, 2008 at the Middle School. Unfortunately, only 3-4 parents were present for the event. The PTSA is trying to highlight our community and school district as a place where parents will want live and educate their children. Positive items such as raising test scores and the high percentage of students on honor roll at the Middle School need to be publicized. Mrs. Durham congratulated Jacinda LiSanto on her presentation to teachers on Superintendent's Conference Day, January 28<sup>th</sup>.

Board President Ed Magin reported that on Saturday, February 9, 2008, Senator Nozzolio met with Board members and Mrs. Miner at the District Office. Many topics of concern regarding the Governor's proposed 2008-09 State Budget for Education were discussed with the Senator.

John Socha is proud to mention that High School Business Teacher Jennifer Judge recently took the FBLA Club to a nine county school competition. Students can compete in three different areas of business: accounting, interviewing, and marketing. Four students were winners

and will now go on to state competition. Congratulations to Kristin Virts, Jacob Bliss, Bridgette Vanderweel, and Ali Dean.

5f. SUPERINTENDENT'S UPDATE:

Mrs. Miner provided the Board with the draft of the non-instructional budget for 2008-09. There was discussion about the buses that will need to be purchased that are not included in this draft, and the facilities area of the proposed budget. We are continuing to budget at rates for higher operational costs for 2008-2009. It is projected that the cost to operate our facilities will go down after the renovations are completed with the Capital Project, i.e. new heating systems, new roofs, etc.

5g. BUSINESS ADMINISTRATOR'S UPDATE:

Mrs. Miner provided the Board with the draft of the non-instructional budget for 2008-09 in Bob Magin's absence.

A correction was made to the meeting minutes of January 22, 2008 prior to approval. The local history books titled "*Strolling Down Main Street*" that were donated to the District were from Jon Countryman, not the Wolcott Historical Society.
