

Name _____ Study Guide for Chapter 8

The Revolution War

Directions: IF you were absent from class for all our part of this week, here are the questions that we worked on. You should write your answers and submit them to be graded.

1. What were the major goals of the British and the Patriots at the beginning of the War? (Hint: Don't say "to win" – identify what winning would "look like" to each side – how they would know they won.)
2. What were the strengths and weaknesses of each side.
3. What were the major strategies of each side. (What would they have to do to reach their goal?)
4. What were the major battles and personalities of the war?
5. What were the results of the War?
