SENIOR BULLETIN #2

August, 2007

Cumulative Average, Class Rank

Your initial cumulative average and class rank are included in this mailing. Your average is calculated by adding your final average from each credit-bearing course and dividing by the number of units attempted.

Your class rank shows your position in the class. Rank is determined by putting cumulative averages in order, beginning with the highest average. The enclosed rank and average will be used for the purposes of college and scholarship applications.

Final rank and average will be calculated at the end of the third quarter.

Feel free to see me regarding your rank and average.

FYI: Registration for Gemini (FLCC) courses will be held on Wednesday September 12th from 8:15-9:00 A.M. in the H.S. auditorium foyer. Your teachers will provide reminders & additional information as the date approaches.

Sincerely,

Mrs. O'Connor-Alfred
Dept. Chair of Student Counseling
