

## EVALUATION OF SCHOOL BOARD OPERATIONAL PROCEDURES

The Board of Education may review the effectiveness of its internal operations annually. The Superintendent of Schools and others who work regularly with the Board may be asked to participate in this review and to suggest ways by which the Board can improve its functioning as a deliberative and legislative body.

The Board shall set forth the standards by which it will evaluate itself, taking into account the following:

1. the district's needs and the Board's ability to meet such needs;
2. the district's goals for its instructional programs;
3. the Board's relationship with the Superintendent and district staff;
4. the Board's relationship with its supervisory district (BOCES); and
5. the community's perception of Board members as educational leaders.

Evaluations of the Board are to be supported by as much objective evidence as possible. The opportunity for improvement is enhanced if evaluation is carried out systematically in accordance with good planning, conscientious follow-through, and careful assessment of results.
