

English 9

In this course, you will meet several challenges, within a range of topics:

The Power of Love, in which you will look at several kinds of literature and will encounter ***Romeo and Juliet***, among others.

The Individual in Society, through which you will examine ways in which authors portray how individuals fit (or don't) into society.

Coming of Age, through which you will see ways in which authors celebrate a person's passing from one stage of life to another.

How Words Mean, in which you will see and show how the choice of words and

phrases adds force and effectiveness to speech and writing.

What Do Poets Do? in which you will observe and use some of the skills that poets use.

Huh? Wha' dya Say? through which you will develop your listening skills

How Can I Study More Easily? in which you will practice more powerful and easier study skills, including the building of vocabulary for other courses.

The Career Project, in which the Guidance Office helps you research possible careers.
