PSYCHOLOGY 101 – CLASSICAL CONDITIONING PSYCHSIM

This assignment will allow you to work through a psychology simulation on classical conditioning. The web address you will type in is:

http://www.worthpublishers.com/exploring5e/con_index.htm?99xhx

If you struggle getting on to this page go to the school website and get to my folder. This page will be in there and you can click on the link on the page to get there.

You will be directed to a page titled Psychsim 4.0 – Classical Conditioning Module Map. This is the page that you will be working on. Read through the information and then complete all of the parts of the module from Introduction through Summary.

Complete the attached worksheets as you go through the simulation.
