<b>INTERNET USE</b>
---------------------

As a parent or guardian of this student, I understand that Internet access is designated for educational purposes, but I realize that it is possible that a student will read, view, and hear material on the internet that may be inappropriate. There is a filtering program, which will block students from inappropriate sites. However, this is not a perfect system and the ultimate responsibility must fall on the user.

As a student, I understand that my Internet privileges may be revoked if:

1. Proper "netiquette" is not used.\*
2. Access to inappropriate sites is not reported immediately.
