

## SCHOOL ATTENDANCE AREAS

Attendance areas in the school district will be designated and established by the Board of Education. The Board may change or alter these attendance areas as necessary for the maintenance or promotion of a sound educational program.

With the following exceptions, all students will attend the school designated to serve their attendance area:

1. students enrolled in Board-designated special programs and services;
2. students who, in the judgment of the school administration, would benefit from a particular program offered in another building; and
3. students whose families move to another attendance area within the district during the school year shall be permitted, whenever possible, to complete the current semester/school year in their current school assignment. A written request by the parent or guardian to the school principal is required.

Note: Prior policy, Policy Manual, 5117, revised
