

VEHICLES ON SCHOOL GROUNDS

A speed limit of ten (10) miles per hour is established for all vehicles proceeding on school district property. Unsafe driving or exceeding the established and posted speed limit with any motorized or non-motorized vehicle is prohibited.

The recreational use or racing of snowmobiles, minibikes, motorcycles, all terrain vehicles (ATV's) or similar vehicles or objects is prohibited on school district property.

The use of skateboards, roller skates, roller blades or remote control objects on school district property is prohibited from 7:00 a.m.-5:00 p.m. on school days unless it is an activity authorized by the building principal.

Vehicles may not be parked in designated bus loops during school hours or at any time, in designated fire lanes or handicapped spaces (except with state permit).

Vehicles may not be parked on school district property overnight without prior approval of the Superintendent of Schools or designee.

Unauthorized vehicles parked on school district property during restricted hours may be towed, at the owner's expense, upon the direction of the Superintendent or designee.

Students

High School students with valid drivers' licenses may be eligible to drive to school and park on school grounds. Specific regulations for student driving are contained in the High School Student Handbook.
