3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary reading assessment tests and data. The DIBELS, Dominic and Terranova tests were described. Mrs. Haensch and Mr. Thompson listed how many students in each grade level are listed in three category areas: intensive, benchmark and strategic. The current intervention methods which are in place to help struggling learners were discussed.

The Dominic assessment is an oral assessment based on fictional and nonfictional reading books. Students are tested once a week and the data is shared with every teacher. Every child's needs are met. 3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST
READING:

New and revised policies were given to the board for a first reading. They are encouraged to call the Superintendent with questions.

LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4d. OTHER:

More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominic and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominic assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE

OF THE DISTRICT:

The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. 3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST
READING:

New and revised policies were given to the board for a first reading. They are encouraged to call the Superintendent with questions.

Linda Haensch and Neil Thompson reported on grades K-5 elementary reading assessment tests and data. The DIBELS, Dominic and Terranova tests were described. Mrs. Haensch and Mr. Thompson listed how many students in each grade level are listed in three category areas: intensive, benchmark and strategic. 3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST

New and revised policies were given to the board for a first reading. They are encouraged to call the Superintendent with questions.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. 3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST
READING:

New and revised policies were given to the board for a first reading. They are encouraged to call the Superintendent with questions.

LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE

OF THE DISTRICT:

The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. 3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary reading assessment tests and data. The DIBELS, Dominic and Terranova tests were described. Mrs. Haensch and Mr. Thompson listed how many students in each grade level are listed in three category areas: intensive, benchmark and strategic. The current intervention methods which are in place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a one on one test that is only one minute in length. The questions focus on particular skills.

The Dominic assessment is an oral assessment based on fictional and nonfictional reading books. Students are tested once a week and the data is shared with every teacher. Every child's needs are met. The **R**esponse **T**o **I**ntervention program (RTI) tracks what is happening with struggling students.

The Terranova test is a national standards assessment which measures basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary reading assessment tests and data. The DIBELS, Dominic and Terranova tests were described. Mrs. Haensch and Mr. Thompson listed how many students in each grade level are listed in three category areas: intensive, benchmark and strategic. The current intervention methods which are in place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a one on one test that is only one minute in length. The questions focus on particular skills.

The Dominic assessment is an oral assessment based on fictional and nonfictional reading books. Students are tested once a week and the data is shared with every teacher. Every child's needs are met. The **R**esponse **T**o **I**ntervention program (RTI) tracks what is happening with struggling students.

The Terranova test is a national standards assessment which measures basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST
READING:

New and revised policies were given to the board for a first reading. They are encouraged to call the Superintendent with questions.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary reading assessment tests and data. The DIBELS, Dominie and Terranova tests were described. 3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST

New and revised policies were given to the board for a first reading. They are encouraged to call the Superintendent with questions.

LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE

OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

ADMINISTRATOR'S

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

particular skills.

The Dominie assessment is an oral assessment based on fictional and

is shared with every teacher. Every child's needs are met. The **R**esponse

basic skills in reading and math in grades K-3.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE

OF THE DISTRICT:

The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. 3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary reading assessment tests and data. The DIBELS, Dominie and Terranova tests were described. Mrs. Haensch and Mr. Thompson listed how many students in each grade level are listed in three category areas: intensive, benchmark and strategic. The current intervention methods which are in place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a one on one test that is only one minute in length. The questions focus on particular skills.

The Dominie assessment is an oral assessment based on fictional and nonfictional reading books. Students are tested once a week and the data is shared with every teacher. Every child's needs are met. The **R**esponse **T**o **I**ntervention program (RTI) tracks what is happening with struggling students.

The Terranova test is a national standards assessment which measures basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. 3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST

New and revised policies were given to the board for a first reading. They are encouraged to call the Superintendent with questions.

LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE

OF THE DISTRICT:

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST
READING:

New and revised policies were given to the board for a first reading. They are encouraged to call the Superintendent with questions.

Before approval of the Meeting Minutes of March 10, 2009, a correction was made to the Call to Order. ~~Board Vice President Nickoline Henner called the meeting to order at 6:05 pm and led the Pledge of Allegiance.~~ Board President Nickoline Henner called the meeting to order at 6:05 pm and led the Pledge of Allegiance.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominic and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominic assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominic and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominic assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE

OF THE DISTRICT:

The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST
READING:

New and revised policies were given to the board for a first reading. They are encouraged to call the Superintendent with questions.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,

particular skills.

The Dominie assessment is an oral assessment based on fictional and

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE

OF THE DISTRICT:

The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. 3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary reading assessment tests and data. The DIBELS, Dominie and Terranova tests were described. Mrs. Haensch and Mr. Thompson listed how many students in each grade level are listed in three category areas: intensive, benchmark and strategic. The current intervention methods which are in place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a one on one test that is only one minute in length. The questions focus on particular skills.

The Dominie assessment is an oral assessment based on fictional and nonfictional reading books. Students are tested once a week and the data is shared with every teacher. Every child's needs are met. The **R**esponse **T**o **I**ntervention program (RTI) tracks what is happening with struggling students.

The Terranova test is a national standards assessment which measures basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. 3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary reading assessment tests and data. The DIBELS, Dominic and Terranova tests were described. Mrs. Haensch and Mr. Thompson listed how many students in each grade level are listed in three category areas: intensive, benchmark and strategic. The current intervention methods which are in place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a one on one test that is only one minute in length. The questions focus on particular skills.

The Dominic assessment is an oral assessment based on fictional and nonfictional reading books. Students are tested once a week and the data is shared with every teacher. Every child's needs are met. The **R**esponse **T**o **I**ntervention program (RTI) tracks what is happening with struggling students.

The Terranova test is a national standards assessment which measures basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST
READING:

New and revised policies were given to the board for a first reading. They are encouraged to call the Superintendent with questions.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

ADMINISTRATOR'S

The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST

New and revised policies were given to the board for a first reading. They are encouraged to call the Superintendent with questions.

LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE

OF THE DISTRICT:

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominic and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,

particular skills.

The Dominic assessment is an oral assessment based on fictional and

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE

OF THE DISTRICT:

The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. 3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST
READING:

New and revised policies were given to the board for a first reading. They are encouraged to call the Superintendent with questions.

reading assessment tests and data. The DIBELS, Dominic and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

OF THE DISTRICT:

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary reading assessment tests and data. The DIBELS, Dominic and Terranova tests were described. Mrs. Haensch and Mr. Thompson listed how many students in each grade level are listed in three category areas: intensive, benchmark and strategic. The current intervention methods which are in place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a one on one test that is only one minute in length. The questions focus on particular skills.

The Dominic assessment is an oral assessment based on fictional and nonfictional reading books. Students are tested once a week and the data is shared with every teacher. Every child's needs are met. The **R**esponse **T**o **I**ntervention program (RTI) tracks what is happening with struggling students.

The Terranova test is a national standards assessment which measures basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

5c1. POLICY FIRST

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

OF THE DISTRICT:

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary
reading assessment tests and data. The DIBELS, Dominie and Terranova
tests were described. Mrs. Haensch and Mr. Thompson listed how many
students in each grade level are listed in three category areas: intensive,
benchmark and strategic. The current intervention methods which are in
place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a
one on one test that is only one minute in length. The questions focus on
particular skills.

The Dominie assessment is an oral assessment based on fictional and
nonfictional reading books. Students are tested once a week and the data
is shared with every teacher. Every child's needs are met. The **R**esponse
To **I**ntervention program (RTI) tracks what is happening with struggling
students.

The Terranova test is a national standards assessment which measures
basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. 3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

OF THE DISTRICT:

The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. 3a. DIBELS REPORT:
LINDA HAENSCH &
NEIL THOMPSON

Linda Haensch and Neil Thompson reported on grades K-5 elementary reading assessment tests and data. The DIBELS, Dominic and Terranova tests were described. Mrs. Haensch and Mr. Thompson listed how many students in each grade level are listed in three category areas: intensive, benchmark and strategic. The current intervention methods which are in place to help struggling learners were discussed.

The **D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills (DIBELS) test is a one on one test that is only one minute in length. The questions focus on particular skills.

The Dominic assessment is an oral assessment based on fictional and nonfictional reading books. Students are tested once a week and the data is shared with every teacher. Every child's needs are met. The **R**esponse **T**o **I**ntervention program (RTI) tracks what is happening with struggling students.

The Terranova test is a national standards assessment which measures basic skills in reading and math in grades K-3.

Results from these tests determine **Academic Intervention Services** and when small groups are used.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

4a. ADMINISTRATOR'S
REPORTS:

The Board thanked the Administrators for their reports. An explanation of Differentiated Instruction was given by Jacinda Lisanto.

4b. STUDENT BOE
MEMBER REPORT:

No report was given.

4c. OTHER GOOD NEWS
OF THE DISTRICT:

Judi Buckalew spoke about how much joy she received from reading to the Kindergarten classes and First graders. It was a delightful interaction with the students and a great experience.

Mrs. Haensch spoke about the closure of this year's reading incentive program at Florentine Hendrick. The K-2 elementary students were promised that if enough reading minutes were obtained during the reading incentive program, Cubby (baby cougar mascot) would stay in a cave at Florentine Hendrick! The staff has made Cubby a cave complete with a calendar, cot, pillow, books and lantern. Cubby will celebrate his birthday on April 1st while staying in his cave at the school.

4d. OTHER:

Edward Magin, Clifford Parton and Robert Cahoon attended a Legislative Breakfast on March 21st where Senator Nozzolio and Assemblyman Oaks voiced their concerns about the State budget. More money is going to New York City than in past years. It was mentioned that there has been a total disregard for the Open Meeting Laws. Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Creek and Clyde-Savannah districts. Sodus is not interested in sharing additional services at this time.

Select students from our school performed in a delightful All County Music Festival in Lyons last weekend.

Ora Rothfuss III reported on details from the Wayne-Finger Lakes BOCES Regional Budget Hearing on March 16th that he and Cindy Miner attended.

5a. SUPERINTENDENT'S
UPDATE:

Mrs. Miner relayed that the last couple of weeks have been very difficult for Administrators. Meetings with employees have been occurring to talk about the elimination of positions, and all employees involved including those with changes in job duties, have been notified.

5b. BUSINESS
ADMINISTRATOR'S
UPDATE:

Robert Magin was pleased to announce information on a new program that Nancy Younglove has involved our District with, called the Backpack Program. The Backpack Program is a national program administered through Feeding America and Food Link of Rochester. The Food Link of Rochester will come once a month to our school district and leave nonperishable food items (i.e. granola bars, fruit cups, boxed macaroni and cheese, canned tuna fish) with the school. Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month. Mr. Magin will report back to the Board whether contributions may be made to this program.

3b. DRAFT #2
2009-2010 BUDGET –
LUCINDA MINER &
ROBERT MAGIN:

Mrs. Miner and Mr. Robert Magin presented Draft #2 of the 2009-2010 Budget to the Board, which shows a 0.52% increase in tax levy. Mrs. Miner mentioned that grant money is continually being sought out by our grant writers. The New York State budget is due on April 1st. Therefore, revenues are uncertain at this time. A closer look at the Federal Fund and grant money has shown that a couple of teacher's salaries will be funded from Federal grant money next year. An explanation of Debt Service in the General Fund budget was described (i.e. energy performance, prior capital project debt, etc.). Without Debt Service, the General Fund budget shows a decrease of 1.28%. The tax levy and use of Reserve Funds was discussed. It was recommended that money received by the District through the Federal stimulus program be saved, since the 2010-11 economy scenerio looks even worse than next year's.

Because of this, they have no information for upstate New York. With the 18% Federal mandates required and the 15% of preschool money being budgeted this year by school districts, all districts are facing financial difficulties. Edward Magin also relayed information discussed at the meeting regarding a possible new tier of the New York State Retirement System, Tier V.

Nickoline Henner has ~~made telephone calls to~~ emailed the Board Presidents of Sodus, Red Creek, and Clyde-Savannah Central School Districts to find out if there is interest in setting up a meeting to discuss sharing of services between districts. A meeting will be set up with the Red

Up to eight items will be placed in a bag and discretely distributed to children on the last day before the weekend or holiday vacation to take home in their backpack or book bag. This program will assist eligible families, and the families will need to grant permission in order for this to occur. The Backpack program will start in approximately one month.
