Wayne Central School District

LETTER to the BOARD

July 26, 2002

"The first great gift we can bestow on others is a good example

- - Thomas Morrell

Greetings from Wayne Central School District. This is a short note since we just met Wednesday.

Newsletter:

1. **Building Project** - Congratulations on adopting the building project with a voting date of October 8, 2002. Our first meeting of the campaign committee will take place on Wednesday, August 7th. Our plan is to roll out the campaign at the end of August.
2. **Graduation Party** - There is an alleged incident being investigated by our high school principal that a staff member was drinking with high school students at a graduation party. At the end of the party there supposedly was a fight between the teacher and a former student. I will inform you of all facts as they become available.
3. **Palm Pilot** - OK, it is finally happening. I am attending the "New York Talks" technology training seminar on Sunday, Monday and Tuesday. This national program for administrators will teach us how to better infuse technology in our work. Included in the training is a palm pilot and full instruction in its use. It looks like it is small enough to fit inside my daytimer.
