

SUBJECT: TEMPORARY PERSONNEL

District's needs may sometimes require temporary appointments. The terms of these appointments shall be defined by the Board of Education on a case-by-case basis.

Student Teachers

The North Rose Wolcott School District shall cooperate with teacher training institutions in the placement of student teachers in order to provide beginning teachers with the best possible student teaching experience.

Schools are required to allow student teachers to videotape themselves providing instruction in a classroom to meet their instruction component for their teaching certification. The video must remain confidential and is not subject to viewing or disclosure to an individual or entity other than the student teacher applicant and relevant personnel.

Student teachers shall be protected from liability for negligence or other acts resulting in accidental injury to any person by the School District, as provided by law.

Substitute Teachers

A substitute teacher qualified to teach in the North Rose-Wolcott School District shall be employed, whenever possible, by the Superintendent of Schools in the absence of a regular teacher. It is recognized that fully certified persons will not always be available for employment as substitute teachers.

Eligibility for Service

Per Commissioner's Regulations Section 80-5.4, there shall be three (3) categories of substitutes as follows:
