Wayne Central School District

LETTER to the BOARD

January 10, 2003

"One day Alice came to a fork in the road and saw a Cheshire cat in a tree. Which road do I take? she asked. Where do you want to go? was his response. I don't know, Alice answered. Then, said the cat, it doesn't matter.

- - Lewis Carroll, British Writer

Greetings from Wayne Central School District. Below are some items of interest.

Newsletter:

1. **Class Accounts:** Board members were curious about what happens to money left in accounts after a class has graduated. Greg has checked on this and found that it does go to student council. Often student council will give it to the new senior class.
2. **Newark Athletics:** You will recall that at our recent basketball contest against Newark there were some incidents. Last night we hosted Newark for wrestling. Marc had three sheriffs there and there was no incidents. Incidentally we won 59-3.
3. **School Aid Article:** Enclosed is a recent article on State Aid. As we discussed at our Board meeting, it will be a tight year for everyone across New York State. At this time I believe we will be in better shape than most of the County (although I am hesitant to say something now I will regret later). I will let you know what I find out in Albany.
4. **Scholar Athletes:** Enclosed is our recent list of our Scholar Athletes. As you can see our students did very well.
5. **Model Schools:** At our next meeting the High School Model School Design team will present our plan for achieving a world class high school. I am very proud of their work and believe you will be pleased also. This was a desire the Board expressed to me when I first interviewed here three years ago. There was a feeling we had slipped academically from the place of prominence we had held for many years. We have made good progress these last three years but this is will really create that world class school you asked for.

With our 14.9 million dollar facilities project our students will have a great facilities. With Model Schools they will have that great program to go with the facilities. Obviously there

will a cost associated with the program. We will be asking that we devote a five year plan to the project, putting 2% additional in the budget the first year for model schools and 1% each of the next 4 years. That means that over 5 years our current \$30 million budget would rise by 1 million for model schools.

6. **Congratulations:** Nathan Patterson achieved his 100 Career Varsity Wrestling Victory.
7. **Football Position:** Attached are the list of candidates, the timeline, and brochure on our football coaching position. As you can see there has been considerable interest. Some of the candidates have excellent credentials. Most outside candidates are looking for a position also. A couple have said they would come if we had a \$70,000+- package. I don't believe we will have any positions like that, but I told Marc to keep them interested so at least we can talk to them. These people would of course be the Monroe County head coaches some of whom you may recognize on the list. I was pleased with the amount of interest that it generated. There are also a number of inside candidates.

8. **Events -**

Jan. 13 – HS PTSA Mtg – HS – 7:00 p.m.

Jan. 14 – FE Parent Group – Freewill – 6:30 p.m.

DATE: January 6, 2003

The Wayne Central Athletic Department is proud to announce that three fall teams have received recognition as Scholar Team Athlete Award Winners by the New York State Public High School Athletic Association. Congratulations to the Boys and Girls Varsity Cross Country teams and the Varsity Golf team for your academic achievements this season. This award goes to any team that has a 90% or higher overall grade point average for the season.

1. Athletic Director and High School Principal will screen all applications and select 5-8 candidates for the first round interview.

2. Interview committee will consist of the following:

Director of Athletics – Marc Blankenberg

High School Principal – Lory Morrin

Football Booster Club Member – Gus Zaso

Student member of Football Program – (TBA)

3. Interview committee will select 2-3 candidates for a second interview and conduct any site visits and do a complete reference check. Second round candidate(s) who are not currently on the staff at Wayne Central will have their teaching credentials evaluated for potential teaching position.

4. Committee will recommend a candidate to Director of Athletics for final approval.

THE POSITION

The district seeks an outstanding coach who will continue the development of our football program and will be able to lead the program to the next level both on and off the field.

Salary will be commensurate with the current coaching salary based on experience.

CANDIDATE PROFILE:

The district seeks a candidate who will:

- Possess proper NYS certification
- Preferably teach in the Wayne Central School District
- Develop a unified and committed coaching staff
- Oversee parents support group
- Increase student, faculty and community interest and support of football
- Emphasize academics, chemical-free participation and sportsmanship
- Instill strong sense of discipline
- Encourage second and third sport participation by team members
- Oversee an in-season and off-season conditioning and strength program
- Consider coaching a second sport
- Develop a positive relationship with community feeder program

APPLICATION PROCESS

All qualified candidates are invited to submit a letter of interest and resume to Mr. Marc Blankenberg, Director of PE/ Athletics clearly stating their specific qualifications of the Head Varsity Football coaching position along with their academic teaching credentials.

Candidates selected for an interview will be asked to complete a formal application and have credentials from college and university sent to the school district and provide a videotape of their teaching and coaching abilities.

All correspondence and materials should be sent to:

Mr. Marc Blankenberg
Director of PE/ Athletics

The School District

Wayne Central School District was created in 1949 by the centralization of 21 rural and union free schools in the Ontario-Walworth area. The 50th anniversary was observed in 1999.

The district encompasses 66 square miles in the northwestern corner of Wayne County and a small portion of the northeastern Monroe County. It is home to approx. 16,000 people within a rural-suburban area located 20 miles east of the City of Rochester. Student enrollment is approx. 2900 students K-12.

There are five school buildings in the district which go through regular capital improvements to keep the facilities at a high standard. The district taxpayers have recently approved a 14.9 million dollar capital improvement which will include a new fitness center, varsity stadium, and an eight lane all-weather track.

INTERSCHOLASTIC ATHLETICS

The Wayne Central School interscholastic athletic program has been built upon the positive qualities of pride, commitment and performance with an emphasis on academics, sportsmanship, chemical awareness, discipline and safety. The expectation is for excellence both on and off the playing fields.

The Eagles have a high participation rate in a well-rounded program of individual and team sports. Wayne offers fifty-six teams in fourteen sports (including varsity, junior varsity, modified A, and modified B programs). Our teams and student-athletes have distinguished themselves with winning records and championships in Wayne County, Section V and New York State competitions. Many teams have also been recognized for their team grade point average through the NYSPHSAA Team Scholar-Athlete program.

The Eagles athletic program is certainly where "Academic and Athletics are Partners for Educational Excellence!"
