Wayne Central School District

LETTER to the BOARD

April 2, 2004

"The voice of intellect is a soft one, but it does not rest until it has gained a hearing." - - Sigmund Freud

Greetings from Wayne Central School District. Below are some items of interest.

Newsletter:

1. **Walworth Apartment Taxes** – We let Frank know that the resolution was passed by the Board. He was most appreciative of our quick response.
2. **Three Boards' Meeting** - Walworth Town Board is hosting the Three Boards' Meeting on April 22 at 7:00 p.m. in the Walworth Town Hall, 3600 Lorraine Drive. Please let me know if you have any items you would like placed on the agenda.
3. **BOCES Vote** - BOCES has set the fourth Wednesday in April as the universal date for BOCES elections and budget vote (April 28). In order to participate in the BOCES election and budget vote, we need to convene on April 28. There are three seats open on the BOCES Board and three candidates. Therefore, a vote would be perfunctory. The BOCES Administrative budget is also being voted on. Unless we, as a board, plan to vote against the budget, this too is perfunctory. As I stated last night, rather than making you go through another meeting in April for a 5 minute vote, I ask if there are 5 Board members who could meet on April 28th sometime between 4-5 PM for a quick vote on this. Let me know if you can and I will report at Three Boards meeting.
4. **Energy Performance Contract** - This morning, I talked with Bob Grant of Atlantic Energy. He reaffirmed that should the detailed audit show that the project was not feasible there would be no cost to the district. He agreed to send me a written statement to that effect. With that we are ready to move forward with this exciting study.
5. **Football Coach** – Mr. Blankenberg has recommended Mr. David Mareans as the head football coach. Dave has been one of our Assistant Football Coaches. I concur with his choice and will be recommending him to you for appointment.

6. **Spring Sports** – Needless to say, the spring sports are behind schedule and Marc has been busy revising the schedules. Maybe winter will go away soon.....
7. **Land Transfer** – Last night we agreed not to transfer property to the Webster School rolls. I will be sending a letter this afternoon informing them of our decision.
8. **Four County School Boards** - The dues for the 2004-05 school year are \$5,897.00. We have budgeted this and I think we should pay it but please let me know if you wish to have any discussion regarding Four County.
9. **School Break**- School will be closed next week. I do expect to be in and out of the office. If you can't reach me at the office please feel free to call the house 524-2862. Happy Easter!
10. **Events** -
 - April 9-16 – Spring Recess
 - April 15 – Income Taxes Due
 - April 19 – HS PTSA Meeting – DO Conference Room – 7:00 p.m.

Att. d

Subject: Enjoy... teachers especially

A Kindergarten teacher was observing her classroom of children while they were drawing. She would occasionally walk around to see each child's work. As she got to one little girl who was working diligently, she asked what he drawing was.

The girl replied, "I'm drawing God."

The teacher paused and said, "But no one knows what God looks like."

Without missing a beat, or looking up from her drawing, the girl replied, "They will in a minute."

~~~~~

A little girl was talking to her teacher about whales. The teacher said it was physically impossible for a whale to swallow a human because even though it was a very large mammal its throat was very small.

The little girl stated that Jonah was swallowed by a whale. Irritated, the teacher reiterated that a whale could not swallow a human; it was physically impossible.

The little girl said, "When I get to heaven I will ask Jonah".

The teacher asked, " What if Jonah went to hell?"

The little girl replied, "Then you ask him".

~~~~~

A Sunday school teacher was discussing the Ten Commandments with her five and six year olds. After explaining the commandment to "honor" thy Father and thy Mother, she asked, "Is there a commandment that teaches us how to treat our brothers and sisters?" Without missing a beat one little boy (the oldest of a family) answered, "Thou shall not kill."

~~~~~

One day a little girl was sitting and watching her mother do the dishes at the kitchen sink. She suddenly noticed that her mother had several strands of white hair sticking out in contrast on her brunette head. She looked at her mother and inquisitively asked, "Why are some of your hairs white, Mom?"

Her mother replied, "Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white."

The little girl thought about this revelation for a while and then said, "Momma, how come ALL of grandma's hairs are white?"

~~~~~

The children had all been photographed, and the teacher was trying to persuade them each to buy a copy of the group picture.

"Just think how nice it will be to look at it when you are all grown up and say, 'There's Jennifer, she's a lawyer,' or 'That's Michael, He's a Doctor.'

A small voice at the back of the room rang out, "And there's the teacher, she's dead."

~~~~~

A teacher was giving a lesson on the circulation of the blood. Trying to make the matter clearer, she said, "Now, class, if I stood on my head, the blood, as you know, would run into it, and I would turn red in the face.." "Yes," the class said.

"Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?" A little fellow shouted, "Cause your feet ain't empty."

~~~~~

The children were lined up in the cafeteria of a Catholic elementary school for lunch. At the head of the table was a large pile of apples. The nun made a note, and posted on the apple tray: "Take only ONE. God is watching."

Moving further along the lunch line, at the other end of the table was a large pile of chocolate chip cookies. A child had written a note, "Take all you want. God is watching the apples. /:;>
