April 25, 2003

Under the Consent Agenda several teacher substitutes and the inspectors for the May 20th budget vote were approved.

The Board held a brief discussion on the price of athletic passes. These passes would be for families per game and for families per season. Because of the increase in the price of athletic admission, the Board had asked for some additional family options. The price for a family pass per event is proposed at \$5.00 and the family pass per season at \$35.00. This change will be voted on at the next Board Meeting. Eleven CSE Cases were approved and thirteen Policies underwent second readings. This concluded the policy review for the 2002-03 year.

Each Building Principal shared parts of their monthly report. Elementary School Principal, Anne Ressler, brought in books that the Spanish IV/V students had written for the Elementary students. Middle School Principal, Russ Kissinger, reported on the Artist in Residence program. Work from that experience was displayed at the Board Meeting. Reports on Senior passing rates, the Senior Trip, Math AIS changes, and spring sports were all part of Dan Starr's High School report.

Under New Business, the Board adopted the BOCES Administrative Budget and voted for three BOCES Board of Education candidates. The Board also accepted resignations from the following:

Lorrie Pagano, Middle School Sp. Ed. Teacher
Jim Davies, High School Teacher Assistant
Judy Matthews, Middle School Math Teacher
Randall Ebert, Middle School Science Teacher
Judy DiClemente, High School Math Teacher
Daniel Starr, High School Principal

Cathy Quinn was appointed as a regular Math substitute for the remainder of the year and Steven Zygo was appointed as a long-term substitute in the Middle School.

Leigh Prescott was approved for a leave of absence and Michelle Bucenec was approved as her substitute. After a recess to Executive Session, the Superintendent's 2003-04 salary was approved and her contract extended through June 2006.
