"DEDICATION BUILDS CHAMPIONS"

Dear Parents and Lyons Wrestling Supporters,

I'm writing to you to inform you of some great news! The Class BB Sectionals will be held in Lyons this year Feb. 9<sup>th</sup> and 10<sup>th</sup>. This is a great opportunity to showcase Lyons Wrestling as it's never been shown before. Your son has the distinction of being on the first team of LCS Matmen to host this competition.

While the scope of an event like sectionals will highlight both the pride of our wrestling program and our new community center, it is also a huge undertaking for the host team. This is where YOU can help! We need your help and commitment to set-up, run concessions, clean-up, and help with "loose ends".

Please let us know you'd be willing to support your son and the Lyons Wrestling Program. Return the form below by **February 1<sup>st</sup>, 2007**.

As always we appreciate your dedication.

Sincerely,

Coach Lawson
