Re: Certification of Technology Plan Review/Approval
Dalton Nunda CSD
Plan Approval Expires June 30, 2010
Pursuant to the requirements of the FCC's E-rate program under the Schools and Libraries
Universal Service Support Mechanism

Dear **Mr. Stores**:

Thank you for providing a copy of your institution's technology plan for review pursuant to the requirements of the Schools and Libraries Universal Service Support Mechanism (commonly known as "E-rate") program.

The technology plan you provided appears to include all the basic planning components required under the E-rate program as set forth by the Federal Communications Commission (FCC). As such, you may consider receipt of this letter as confirmation that your technology plan has been approved by an "authorized organization" as required. This certification applies only to the approval of this technology planning document for purposes of your E-rate application.

Although the basic structure of your technology plan has been approved, please be reminded that E-rate rules require a level of consistency between technology plans and E-rate funding requests that was not subject to review under our approval process.

Best wishes for successful approval of your application for E-rate discounts.

Sincerely,

Konrad Raup
Team Leader
