

PRIMARY GOAL

The primary goal of the Wayne Central School District is to ensure that the instructional program provides students with the intellectual and social skills to pursue a wide variety of post high school opportunities. Thus, upon graduation from high school, all students will be able, as a result of their education, to enter college, attend another form of post high school education, or obtain and hold a job.

COMMENCEMENT OUTCOMES

Wayne Central School graduates will. . .

1. be effective communicators
2. act as responsible citizens
3. be self-reliant individuals
4. be complex thinkers
5. possess daily living and general career skills
