Fees for Purchase of School Material and Equipment

Students will be required to purchase common school materials such as pencils, papers, poster boards, crayons, etc. Some course specific supplemental materials may be provided by the district at the discretion of the Assistant Superintendent for Instruction.

In elective courses, reasonable fees may be assessed.

Fees for Damage to or Loss of School Materials and Equipment

Students are expected to exercise reasonable care in the use of school materials and equipment, and any damage done to library books, textbooks or other school materials and equipment due to misuse or negligence must be paid for by them.

Lost or damaged textbooks will be immediately reported to the office for payment.

Other school equipment which is damaged should be reported to the Building Principal, who will determine if negligence or willful action on the part of the student was the cause of the damage. If so, the student will be expected to pay for such damage.

The Building Principal or his/her designee shall be responsible for the collection of fees charged to students due to enrollment in elective courses or to the loss or damage of school materials or equipment. Monies so collected will become part of the general fund and must be deposited immediately with the District Treasurer.
