

Williamson Central School District
In-Service Offerings
January 2003

The schedule for the spring in-service classes has been developed. The courses that are available are listed on the reverse side of this flyer. *Complete* course descriptions, including pre-requisites and course objectives, can be accessed on-line through the District's website.

In order to view the complete course descriptions please do the following:

1. Access the District web page at www.williamsoncentral.org
2. Click on "District Office"
3. Click on "In-Service" (located on red strip on left side of page)
4. Click on "In-Service Offerings for Faculty and Staff"
5. Click on "Spring 2003 Brochure" and scroll through the course listings until you locate the desired course. You may print a course description if you wish.

.....

There are two ways to accomplish your registration.

Complete the form printed on the reverse side of this flyer, and forward it to Barb Bush at the District Office.

- OR -

E-mail Barb Bush at bbush@williamsoncentral.org indicating the titles of the courses you wish to take.

Regardless of the method you choose to register, your confirmation will be sent to your e-mail address.
