Product Planning Sheet

Your product must:

- 1) Teach your team about your topic
- 2) Include at least one visual
- 3) Include the basic information on your topic. This would be the information you gathered for your research questions.
- 4) Include a bibliography which lists your sources of information.
- 5) Be your own work.
- 6) Be completed on time. 5 pts per day deduction including sick or suspended. You can finish early!

Ideas : poster, mobile, one page study sheet , oral presentation, short written report, web page, powerpoint.

Do your planning below:
