

## Rocks and Mineral Crossword puzzle

Using the 20 of the 30 vocabulary words that you worked on last week, create a cross word puzzle to be used as a review for the classroom exam at the end of the unit. We will be using the website below:

<http://puzzlemaker.discoveryeducation.com/CrissCrossSetupForm.asp>

Directions:

1. Pick out the 20 vocabulary terms that you are going to use in your puzzle.
2. Double- check your definitions for each term.
3. One the website, follow the steps to create the puzzle.
  - a. Step One: In the title, write Rocks and Minerals – (your initials)
  - b. Leave Step 2 and Step 3 with the numbers that are there
  - c. In Step 4, you will be typing your word and then definition like below:
    - i. Vocab the shortened version of vocabulary
      1. I suggest that you type your terms and definitions in Microsoft Word and save it in case you are unable to finish in class.
4. When you are finished, have me check your definitions quickly and then click Create Puzzle
5. Once your puzzle is created, click Print and Print as PDF. I can help you print when you are done
