

Outline for Physical Education Paper

This paper is to be 1 page in length, double spaced, and turned in at the end of each week. Please put **your name**, the title of the paper, and the date at the top of the page.

All papers must include:

I. History of the sport

- A. when it was founded
- B. where it originated
- C. how it differs if at all from the way it is played today
- D. who, if anyone, was responsible for it's beginnings
- E. is it an Olympic sport
 - 1. When did it become an Olympic sport
 - 2. Is it presently an Olympic sport
 - 3. Is it played male/female/co-ed
- F. do women and men play by the same rules
- G. is the sport gender biased

II. Rules of the game as it is played today

- A. object of the game
- B. how you score
- C. how a winner is determined
- D. strategies of the game

III. Icons of the game (who is most noted for the sport)

IV. Does this sport have amateur and/or professional status?

You can choose any sport, but 1 paper should be done on the unit your class is presently engaged in.
