

## Minutes for Health Network

Dec. 15, 1998

### I. Meeting Agenda

- A. One time of the four meetings might be a joint meeting with PE and Consumer Science
- B. Canandaigua did a curriculum match with the standards
- C. Where are the crossovers in the curriculum and gaps in the three curricula?
- D. Rebecca Garman- Albany PE and Health

### II. Issue to resolve

- A. What can we do to prioritize time and topics?
- B. Should we discuss this with PE and Consumer Science?
- C. Look at prerequisite courses at the middle school level, core curriculum that PE and Health would feed into
- D. How can you find the time to teach health issues in a PE class?

### III. Who should be teaching what topics?

IV. Next meeting ....what we teach? and how much time and why? Heather Bacon Mt. Morris

V.
