

French Web sites

I know this is probably more advanced than what your students are ready for, but you may want to check out:

http://language.msn.com/learn_main.asp

It has several free lessons (10 each) in Spanish or French.

If you go to www.altavista.com you can request websites by languages

www.louvre.fr tour of louvre

I am not ready to tell someone from Canada where to find French Grammar sites, but our teachers like these

Fluent French

<http://www.signiform.com/french/>

French Web sites of all kinds, including Government links

http://www.lpthe.jussieu.fr/info_autres_fr.html

The Human Languages Page

<http://www.hardlink.com/~chambers/HLP/>

University of Chicago Resources for Students of Romance Languages
